Hi there,

This email contains important information regarding your class and therefore we kindly ask you to read it carefully and take the necessary actions in due time.

In case of doubt or questions you can simply reply to this e-mail.

Looking forward to welcome you at our class!

Pre-Class Actions

- Ensure you had a good nights sleep before and be able to join us with an open and growth mindset
- Be sure you are comfortable in using both tools we'll be using during the class: Zoom and Mural. You find more info on the expectations and how to learn using the tool right here: [Preparation Mural](#).
- We recommend you to test your current understanding by attempting the [free sample AgilePM Practitioner paper](#).

Language and Location

- The class will be delivered in English, and will be hosted using Zoom - you find the zoom link in the preparation Mural, so be sure to check it out!

Timetable and Breaks

- We start at 9:00 sharp to end at approximately 17:00. Lunch is scheduled around 12:30. Both in the morning and afternoon, short breaks will occur during the class as we feel the need.
- I look forward meeting and greeting you starting at 8:30.

Assessment

- After the class you can choose to take the AgilePM Practitioner assessment.
- You will shortly, or have already, received an e-mail with your assessment password and you can take the assessment at a timing that is most suitable for you.

I will be your trainer and can be contacted before, during, and after the class through e-mail.

Have an inspiring day,

Steven Deneir
